

## Tribe Meeting May 6, 2024

**Attending:** Alisa Atkinson, Henry Asuncion, Kelsey Margulieux, Marla Sisson, Brianna Stocking, James Stocking, Stella Elliot.

### Teacher Appreciation-

Fun Run- 107 people registered and cleared about \$1100 from the race. Discussed ordering different colors for future years, black shirts look good with the powder too. Henry got \$100 donation from Ridleys. Flaggers would be good if the middle school has soccer. Also, flaggers would be helpful around the ag building because the ag sale is usually going on at the same time. Also, find a way to help the strollers have easy access so they aren't going on to the grass. It would be easiest to move the station.

Starting now, fundraising will be applied to next year. Anyone interested in getting donations can ask Alisa for the letterhead for it.

Teacher Appreciation- teachers are getting massages, Dominoes on Tuesday, and BBQ on Friday.

School Carnival- May 29<sup>th</sup> we are needing volunteers.

STEM Day- 24<sup>th</sup> – still looking for volunteers.

**School Spirit-** Brianna wants to set up their own booth at the carnival to promote wearing school spirit shirts. Might be too short of notice to get a booth together. Brianna will set up a time to surprise students with toys for wearing their school spirit shirt.

Meeting ended 6:52 pm.
